FAQs

1. What types of merchandise qualify to receive the Cotton Crossbody Bag?

One or more cotton apparel items each containing at least 50% cotton as evidenced by the fiber content label affixed to each item, although we will accept cotton home products and cotton accessories such as shoes and bags provided there is at least one apparel purchase. Additionally, items lacking a fiber content label and affixed hang tag do not qualify.

2. Do I have to show my receipts and cotton merchandise?

Yes, we are promoting cotton and want to incentivize consumers to check the labels for cotton content and ultimately buy cotton merchandise containing at least 50% cotton.

3. Can I make \$200 worth of cotton purchases over multiple days?

Yes, during the promotion dates at your mall location, shop and save your receipts and cotton apparel (with hang tags still affixed) from each day of purchase. Bring all receipts and cotton apparel (with hang tags still affixed) to the mall during the select promotion days and times for the Brand Ambassador to validate your purchases. All purchases must be made at the same mall. It is important to note that there are only 200 Cotton Crossbody Bags available at each mall and the promotion is "while supplies last", so we cannot guarantee you will receive your Cotton Crossbody Bag.

4. What is the estimated retail value of the Cotton Crossbody Bag?

The Cotton Crossbody Bag has an estimated retail value of US \$50.00.
